

The Savill Gardens

Wednesday 4th August 2021

£50.00pp

The Savill Garden is an enclosed part of Windsor Great Park in England, created by Sir Eric Savill in the 1930s.

It is managed by the Crown Estate. The garden includes woodland, ornamental areas and a pond. The attractions include the New Zealand Garden, the Queen Elizabeth Temperate House and trees planted by members of the Royal Family. In June 2010, a new contemporary rose garden designed by Andrew Wilson

Minibus leaves Faversham at 9.00am. We don't depart until 4.00pm from gardens. There is a café and garden shop on site.
