Comments from previous Awaydays travellers.....

.....A vintage trip. A truly lovely area to visit at this time of year. The carnival and festivals come as a bonus. So much to see but with such a delightful guide, we had full but relaxing trips to many of the sights. Local knowledge meant we saw and experienced much more than a newbie to the Riviera could hope to pack into the week. Lastly a lovely hotel - staff food rooms location all first rate. ... J Wood

......Thank you for organising such an amazing trip. Guy who showed us around was fabulous. a wealth of Knowledge. We had the right amount of free time to enjoy this wonderful area.J Stevens.

.....This trip exceeded my expectations- it was marvelolous and of course great company.....C Adley
